

World Environment Day 2021 in DCSEM:

In continuation of its endeavour to make Anushaktinagar cleaner and greener, DCSEM, a unit of DAE, is planning to plant over 5000 trees and shrubs in Anushaktinagar in 2021-22, which includes planting of around 150 trees along the main road from Mandala Gate to North Gate. This was inaugurated on World Environment Day on June 5, 2021 by Dr Ajit Kumar Mohanty, Director, BARC and Shri B K Jain, Director, DCSEM in the presence of limited audience. Director, BARC also visited “Madhuban” the newly created Urban Forest in Anushaktinagar where the growth of trees is observed to be more than 8 feet in just 6 months period which is a great success. The urban forest is developed on the “Miyawaki” concept, wherein growth of plants is faster particularly in vertical direction.

The third Play Park namely “RIM-GYM” near Vrindavan building in Anushaktinagar, constructed and developed by DCSEM was also inaugurated by Dr. Mohanty in the presence of Director, DCSEM on 05.06.2021. Earlier, two similar parks developed by DCSEM at Mandala and near Kamet building, opened in February 2021, were also well appreciated. All the three parks have different themes namely “My Village” at Mandala, “My City” at Kamet and “My Country India” at Vrindavan.

All precautions /guidelines related to prevention of Covid 19 were observed.
