

Inauguration of 'Madhuban' Urban Forest at Anushaktinagar

In furtherance to DCSEM's efforts towards "Clean & Green" Anushaktinagar, "Madhuban" the Urban forest in Anushaktinagar was inaugurated on 8th March i.e. on Women's Day 2021 in absentia by Mrs. Beena Kamlesh Vyas wife of Shri. K. N. Vyas, Secretary DAE & Chairman AEC. On behalf of Smt. Beena K. Vyas, Smt. Shailaja Prakasam, CAO along with Women's Cell of DCSEM unveiled the inauguration plaque. Congratulatory video recorded messages by Mrs. Swarnamayee Mohanty wife of Director, BARC & Mrs. Bina Jain wife of Director, DCSEM were also played out on the occasion.

It is to mention that on December 5, 2020 Chairman AEC had laid the foundation stone for 'Madhuban'.

The distinctive features in 'Madhuban' comprise 2400 numbers of 38 varieties of medicinal plants spread over an area of 1000 square meter. The park premises also have small Children's play park and nodal pathways for going around the forest. A central interactive space with sitting arrangement is also provided near entrance. Hydrogel developed by NABTD, BARC has also been used for water conservation. The plantation technique is based on "Miyawaki" method which enhances the plant growth vertically by 10 times.
