

Diamond Jubilee Guest House for VECC at Rajarhat Campus, Kolkata

The Diamond Jubilee Guest House for VECC at Rajarhat Campus, Kolkata, was inaugurated by Dr. Sumit Som, Director, VECC, on 05-04-2022, in the august presence of Shri Bharat Kumar Jain, Director, DCSEM.

DCSEM carried out design, engineering and construction of the building. This building has ground + 5 upper floors to accommodate guest house as well as hostel facilities. The facilities such as outreach centre and small medical centre are also integrated in the ground floor of the building. The building is in L-shape with a central core for vertical movement. One wing of building accommodates guest house with total 24 double occupancy rooms on 1st, 2nd and 3rd floors and total 8 suites on 4th and 5th floors. The other wing of building accommodates total 40 single occupancy hostel rooms (with 8 rooms on each floor). Common facilities such as dining, special dining along with kitchen facilities, caretaker's flatlet etc., are in ground floor. The main external walls of the building are clad with textured synthetic plaster and painted. Structural glazing has also been provided as part of elevation feature.
