**SURVEY FOR PROPOSED Piped Natural GAS (PNG) CONNECTION IN ANUSHAKTINAGAR/ NEW MANDALA**

Dear Residents,

As you all know that, PNG (Piped Natural Gas) is safe, economical, convenient and continuous. There is no necessity for booking & waiting for cylinders. It is safer than LPG and cheaper than LPG. DCSEM has proposed to provide PNG connection to all residents at Anushaktinagar and New Mandala at Mumbai through Mahanagar Gas Limited (MGL). Accordingly, a survey is being conducted to know the willingness of residents to switch over to PNG from LPG. Kindly furnish your opinion for the following question to the Office of Chief Administrative Officer, DCS&EM on or before 28/05/2021.
