

CHAIRMAN AEC INAUGURATES SANGAM JAL VAYU VIHAR AT ANUSHAKTINAGAR

On 29.10.2021, Shri. K. N. Vyas, Secretary DAE inaugurated the “Sangam Jal Vayu Vihar” the beautified and redeveloped pond near Junior College in Anushaktinagar in the presence of Director, BARC, Director, DCSEM and other officials of DAE, BARC & DCSEM.

The facility is a landmark creation for the Clean & Green, Anushaktinagar. Speaking on the occasions, Secretary, DAE congratulated Director, DCSEM and his team for developing the surroundings as a wellness and recreation spot for the residents of Anushaktinagar. Director, BARC too echoed similar sentiments by drawing parallel to the importance of “Panchtatva” in our life, of which Prithvi, Jal & Vayu form part of this facility.

Around 1960, an existing natural water body was developed as collection/oxidation pond to store treated sewage water for gardening. Over the years pond & its surrounding became unhygienic with foul smell due to deposition of silt. DCSEM decided to desilt, clean the pond & develop the surroundings. Around 20,000 M.T. of silt was removed. The Pond houses rich biodiversity. The area is now developed as a recreation spot.

Chairman, AEC accompanied by Director, DCSEM, Director, BARC and other senior officials also visited various key features of this facility, particularly the island with DAE boat, Arbour, Get together point etc. They were also pleased to trek through the Nature’s Trail.
