BRIEF REPORT ON INAUGURATION OF "UPGRADATION OF MAIN ENTRANCE PORTAL", AT ZERLINA, MUMBAI.

"Up gradation of Main Entrance Portal", at Zerlina, Mumbai, was inaugurated on 12.12.2023 by Dr. Ajit Kumar Mohanty, Chairman, AEC and Secretary, DAE, Government of India, in presence of Shri Vivek Bhasin, Director, BARC and Shri K. Mahapatra, Director DCSEM. Dignitaries from various Units of DAE graced the occasion.

Zerlina Residential Apartments are official residences of highest ranking officials of Department of Atomic Energy. The earlier gate was very old and was in unwelcoming state. Hence it was decided to upgrade the gate and annexed area, yet maintaining the daily movement of vehicles and personals, undisturbed.

The concept was planned using environmental friendly material. Cast iron motifs and Mild steel bend to shape flats and plats were integrated together to create attractive gate design.

The facility was appreciated by all the present dignitaries. Design, up gradation and maintenance is by DCSEM.
