Inauguration of Tallest Flag Post in Anushaktinagar

Tallest flag post (100 feet) in Anushaktinagar was inaugurated by Dr. A. K. Mohanty, Chairman, AEC & Secretary, DAE in presence of Shri Vivek Bhasin, Director BARC, Shri K. Mahapatra, Director, DCSEM, other dignitaries and employees from DAE units, residents and office bearers of ARWA, MRWA & WSRWA on 26.01.2025 as a part of celebration of 76th Republic Day. The programme included raising of flag followed by National Anthem and address by the dignitaries to the attendees.

The height of the flag post is about 30.5 M with flag size as 30 feet x 20 feet. The flag post is placed on 1.5 M high pedestal having grand entrance raised on granite platform of 750 mm height.

The access to the flag post is planned from the internal road with redesigned decorative railing. Use of C.I motive and black-golden colour railing gives it a heritage aesthetical value to match with the grammar of the surrounding.

Being the tallest, flag post has clear visibility from inside as well as outside Anushaktinagar. Flag post at the entrance marks the symbol of pride and honour to all the residents of Anushaktinagar.

The complete project was designed and executed by DCSEM.
